PROGRAM

DETAILS

Our exciting new Year 5-6 program is on a rotating schedule Mon-Thurs, so no matter which days you attend, you'll get the chance to participate in each of the fun themed days!

SELF-MANAGED COOKING

You are given a recipe (or you can request one) and will be left to figure it out! Staff will be around to help when you need, but the head-chef-hats go on your heads.

GAMES & ACTIVITIES

The quiet room is closed off for Year 5-6 only with pre-programmed activities such as role-playing and drama, board games, and other activities you've requested.

SPORTS & PARK HANGOUT

There will be programmed outdoor activities such as visiting the tennis courts, the skatepark, and other outdoor games you've requested.

NINTENDO DAY

Yes, you heard correctly! An afternoon where you can take turns versing each other in Mario Kart on the Nintendo Switch.

SELF-MANAGED FRIDAYS

You now get the Quiet Room to yourselves on Fridays. Staff will check in occasionally, but the new hang out zone is yours to go and chill.
